Skilled Nursing Facility Patient Resource

NEBRASKA HEALTH NETWORK | METHODIST | Nebraska Medicine

This document can help you and your caregivers make informed choices when selecting a Skilled Nursing Facility. We encourage you to visit the CMS Nursing Home Compare website at www.medicare.gov/care-compare, which features a quality rating system that gives each nursing home a rating of between one and five stars. Nursing homes with five stars are considered to have higher than average quality and nursing homes with one star are considered to have quality much below average. **Please keep in mind that this is only a guide and cannot address all of the considerations that go into selecting the facility that is best for you.**

What is the skilled nursing facility 3-day waiver rule?

Medicare beneficiaries have to stay in a hospital for 3 days in a row before Medicare will pay for their stay at a skilled nursing facility. This is called the skilled nursing facility 3-day rule. Some Accountable Care Organizations, like the Nebraska Health Network, are approved for a skilled nursing facility 3-day rule waiver and have partnered with skilled nursing facilities. This means you may be able to get skilled nursing and/or rehabilitative care in a skilled nursing facility without staying at a hospital first. Skilled Nursing Facilities eligible for the 3-day rule waiver are highlighted with a (●) below and in **red** on the map.
